## The Wonders of Nature

By: Robin Agnew

Litchfield Country Club is a such a wonderful cathartic environment for me and my family. Natural habitats and sharing of landscapes, shrubs and most importantly our clean air with local deer, rabbits, fox, squirrels, dogs, cats, birds of all species and, yes even golfers make me smile.

My favorite visitor is the tiny hummingbird who possess remarkable powers and capacity.

Our “hummers” drop by our backyard, some stay a while, some mosey on down to the next habitat, all with great finesse, tenacity and agility...amazing animals...with a commanding presence.

As a recent retiree, I am experiencing just how amazing our community is and all the tranquility it has to offer. I feel like a “thief” taking it all in, guessing that others feel the same as I do.

## A special note of continued appreciation to Miss Latte

Miss Latte has very graciously donated numerous ACE Hardware gift cards to be handed out for special events and in recognition of neighbors who have done an outstanding job in transforming their yards. She so enjoys seeing the beautiful gardens on her daily walks and wants to encourage others to continue their hard work in keeping Litchfield Country Club a neighborhood to be proud of! (See this Edition’s selections that follow...)

**“Thank you” Miss Latte for your continued support of LCC!!!**

## What are LOST and CPST?

Don't you love acronyms? These two have been in the news, lately, but perhaps not many have noticed them, or dug into the details. Essentially, LOST and CPST are potentially two new sales taxes. Both require approval by voters. County council has recently voted to hold a referendum on both and they will be on the ballot in the November 6th General Election.

### LOST = Local Option Sales Tax

This is what is known as a penny sales tax, or an extra 1% tax on every \$1.00 spent on items subject to sales tax. Certain items are exempt from sales taxes, like groceries, prescriptions and other items, and they would also be exempt from the extra penny sales tax. This tax is a way to reduce the property tax burden on residents, for both primary and secondary residences, as 71% is estimated to go directly to property tax rollbacks. The other 29% would be used for government operations and projects. It is estimated that LOST would generate about \$10 million per year. "It's a way to just make living here more affordable and take some of the burden off of the homeowner," said County Administrator Angela Christian. "It will allow visitors to share the burden of the cost of providing services, not to just our citizens, but with all the visitors and tourists and everybody else who comes to our community." It's estimated that as much as 40% of the additional taxes collected could come from non-residents visiting the area. Thirty-two of the state's 46 counties already have a LOST in place.

### CPST = Capital Projects Sales Tax

This is another penny sales tax, or an extra 1% tax on every \$1.00 spent on items subject to sales tax. Again, certain items, like groceries and prescriptions, are exempt from sales taxes. These revenues, estimated to be \$10 million per year, and lasting for eight years, would be spent on projects like highways and roads, new facilities, water and sewer projects, flood control projects, stormwater facilities, dredging, beach accesses and beach renourishment. The types of projects are limited by state law. These projects would be identified by a Commission, comprised of three representatives appointed by the County Council and one each for the municipalities of Georgetown, Andrews and the Town of Pawleys Island. Commission members may be appointed at the next County Council meeting on November 14th. The commission would first meet in December and identify projects to the County Council by the end of April 2024.

## What are LOST and CPST? (cont.)

### Do We Get to Vote on LOST and CPST?

Yes, both sales tax referendums would be on the November 2024 ballot, with implementation not starting until May 2025. With the CPST projects being identified by the commission, and voted on by County Council, voters would know what they are voting for come November 2024. The CPST proposal would be a “pay-as-you-go” system, with no project starting construction until the funds are collected to pay for it.

## Have you heard of St. Christopher's Children?

Have you heard of St. Christopher's Children? We are a nonprofit organization established in 2007, providing needed clothing and critical orthodontic care for children in Georgetown County, SC, when no one else is there to help with these services. Each year we help over 300 children with basic clothing and have a wait list for orthodontic care. The children are the HEART of our mission. We provide new clothing personally selected by one of our volunteer shoppers. Orthodontic care is prioritized based on the severity of the case. We work closely with local school nurses who see firsthand the needs of these children.

Last year, St Christophers Children provided 25 children with orthodontic care, 241 children with new clothing, and 175 new coats were distributed. Visit our website at [www.stchristopherschildren.org](http://www.stchristopherschildren.org) to learn more about us or to contribute, and be sure to stop into our Resale Store at 12017 Ocean Highway, Pawleys Island.

## November: National Adopt-a-Senior Pet Month

In a recent petfinder.com survey, shelter and rescue group members reported that older pets have the hardest time finding homes. It's a sad reality that these great animals are often the last to be adopted from shelters. However, November is Adopt-a-Senior-Pet Month, and with Salty Dogs specializing in rescuing senior dogs and finding them loving homes, we hope, with your help, to improve the adoption rate for older pets by spreading awareness about how great senior pets can be.

There are numerous reasons that make older pets a great option for families looking to adopt a pet....

### **CALM, COOL, AND COLLECTED**

Older pets are typically calmer than puppies and kittens, often content with a more relaxing day-to-day routine. As we all know, puppies and kittens, though very fun, are often more rambunctious and may find themselves getting into mischief when they get bored.

### **FAMILY FRIENDLY**

The low-key, mellow nature of older pets makes them a great fit for households with children.

Before ending up in shelters, senior pets often come from some sort of family life which makes adjusting to a new home environment much easier than it could be for puppies or kittens. We do realize that some seniors can be set in their way and not adequate for small children, but that is typically known at time they are made available for adoption.

### **YOU CAN TEACH AN OLD DOG NEW TRICKS**

Senior pets are often already trained and may even be pros at performing basic commands. The great news is that even if they're not, they are much easier to train than younger animals. Their experience around humans, along with more established physical and mental abilities, allow them to better understand the requested commands and pick up new tasks much faster than puppies or kittens.

### **COMMITMENT ISSUES**

Unlike young pets, senior pets are not a 24-7 commitment. Many new pet owners underestimate the time and commitment it takes to properly train a new puppy. Because of their relaxing lifestyle, senior dogs may not require the constant attention and exercise that comes with young pets. Of course, they still love to play with the family, get belly rubs and go for walks, but oftentimes they may not put as much of a demand on your focus and energy.

## November: National Adopt-a-Senior Pet Month (cont.)

### **WHAT YOU SEE IS WHAT YOU GET**

With senior pets, you have a better idea of what you're getting. Senior pets' personalities are already developed so it's easier to tell if they will be a good fit for your family. Things like their size, energy level, and health status are typically established so you have an idea what to expect with your new pet.

### **LOVE**

Story after story suggests that senior pets are especially grateful for their new home. They seem to know they've been rescued and owners often notice an extra special sense of love and appreciation from their senior pet.

The list can go on and on, but most importantly, when you adopt a senior pet, or even share knowledge about the need for senior pet adoptions, you are truly saving a life. We, on behalf of all the shelters and senior pets out there, thank you for that.

### **Want to help? Here are some things you can do:**

- E-mail this information to a friend who wants a new pet
- Promote one senior pet on Facebook or Twitter every day this month. (On Twitter, add the hashtag #PFseniorpets.)
- Adopt a senior pet for Adopt-A-Senior-Pet Month

Do you think it's important that as residents of Litchfield Country Club we have:

- Street lights?
- A security patrol?
- Deeply discounted bulk rate Spectrum Cable TV and High Speed Internet?
- Deeply discounted bulk rate trash collection service?
- A lost & found alert network for resident's pets?
- A Block Captain Network and Welcome Committee?
- Community activities?
- A neighborhood newsletter?
- A voice in the Waccamaw Neck POA, Litchfield Corridor Beautification, and local government?

None of these would happen without our Property Owners' Association, which depends on your participation and membership!

The Board are LCC volunteers. They put in many hours to run the POA and all its activities because they care about our neighborhood.

Joining the POA is not only a great way to meet fellow residents, but also the best way to have a voice in how the LCC neighborhood is maintained.

Please join us, come meet your neighbors, and consider volunteering your time and talents in helping us maintain this beautiful neighborhood!

## Spotlight on Sallie Anderson

Luncheon Club co-founder Sallie Anderson is a familiar face around LCC. After camping nearby every year when their children were younger, she and husband Doug were impressed with the quiet beauty of our community. More than twenty years ago, they chose this for their forever home. With their daughter now in Charlotte and their son in Atlanta, Sallie and Doug have six grandchildren to keep them busy!

Sallie is an avid cook and a prolific cross-stitch enthusiast, but took the time in 2014 to help Mary Eaton establish a monthly luncheon for the women of Litchfield Country Club. The group meets at noon on the second Monday of the month at varying local venues, and membership is open to all LCC residents.

**Membership is free, and the friendships are forever!**

Our next luncheon is Monday, Nov 13, at the Tuscany Bistro at  
10744 Hwy 17 in Pawleys Island.

We hope you will come--- and invite a Litchfield neighbor!

Call Sallie at 843.237.9943 to reserve your spot.

## LITCHFIELD BEAUTIFICATION FOUNDATION

### *Your Gifts at Work!*

It's impossible to drive Highway 17 through the Litchfield area without noticing the beautifully landscaped medians. The residents, businesses and homeowners associations of the Litchfield areas have contributed to the Litchfield Beautification Foundation (LBF) going on 16 years, resulting in the success you see today. While suffering damage from a variety of vehicle accidents, highway maintenance actions, and weather - LBF has continuously worked to refresh, upgrade, and maintain our beautiful median.

## Yard Of The Month For September, October, November

Dear LCC Neighbors,

The Christmas season will be upon us very soon. I hope you have a chance to hit the sales in November in preparation for presents for our friends and families. But, let's not forget what Christmas holiday is all about. Sometimes in the rush of things this time of year, it is easy to forget that this is a Holy Holiday, above all. I hope you are all blessed with love and compassion throughout the Christmas Season.

Our grass is going dormant. Our bushes have quit sprouting new green. The winter gardens may be planted. But, doggone it, the weeds are still there! I just cannot keep up with them!

I have entered three yards for this quarter of the year. I hope you enjoy looking at them as much I enjoy looking around our community at pretty yards. Remember, I look for yards that show someone loves their yard and keeps it clean, groomed and interesting to look at. I hope you can see these traits in the pictures I submit. If you cannot tell by the pictures, ride by the houses and look how pretty the yards appear from the road. It may even give you some ideas about things YOU can do to your yard!

Goodbye until Spring

## Do You Miss "Scarlett" Birdseed from Pet Galley?

If you are looking for a birdseed connection for the good stuff, we have one for you! Ever since Pet Galley closed their doors last year, many folks have been searching for the Scarlett birdseed. Unfortunately, there are no retail stores in South Carolina that carry it. However, Peg Gerland has been able to get a pallet of several types of seed (Backyard Best, Deck & Patio, Safflower, Ultimate...) delivered to her door. If you are interested in getting the Scarlett seed as well, please reach out to Peg for information at either: (215)908-0845 or [pgerland3@gmail.com](mailto:pgerland3@gmail.com). She is looking to put another order in by February 15<sup>th</sup> !

## What Can We Do About Speeding in LCC?

Speeding remains the number one concern expressed by LCC POA members. At our recent POA annual meeting, a lieutenant from the Georgetown County Sheriff's Office (GCSO), indicated that if members observe **excessive** speeding, they can report the license number of the offending vehicle better yet, they can send a photo of the license plate to GCSO and an officer will contact the owner of that vehicle warning them about speeding in Litchfield Country Club. For commercial vehicles the same applies or we can report the company name and the time of the infraction.

Common sense should be applied so that the GCSO is not overburdened by following up on reported speeding that is estimated to be less than, say 35 mph. Please use your best judgment. The higher speed drivers pose the most danger to walkers, children and pets.

To report an excessive speeding incident contact POA Safety Director, **Ken Fetzner**, ([ken@litchfieldpoa.com](mailto:ken@litchfieldpoa.com)). GCSO would prefer that these notifications come from a single source. To ensure reporting accuracy, it would be better to email Ken rather than calling him."

Your POA will continue to hire off-duty GCSO deputies to patrol our streets and a special committee has been set up to determine additional efforts to control speeding in LCC. If you have recommendations for this committee, please contact Director **Julie Noie** ([julie@litchfieldpoa.com](mailto:julie@litchfieldpoa.com)).

Thanks for your efforts to make LCC a safer neighborhood.

## Gators are out and about!

Please be mindful when you are out strolling near a pond that our gators are out of hibernation. They are quite active this time of year looking for a mate and for their next tasty meal. So please stay clear! They can move very quickly and "Never Ever" come between them and their safe spot, the water. And, a heads up that they really can climb fences!!!

## Penalties for golf cart violations in Georgetown Cty:

Penalties for violation of state laws governing the operation of low speed vehicles – including golf carts – on roadways have recently changed! Such violations are considered a misdemeanor under state law, and **conviction is punishable by a fine of up to \$100 or imprisonment for up to 30 days.**

The following requirements are included in the laws for operation of golf carts in the state and in Georgetown County.

- A person operating a permitted golf cart must be at least 16 years of age and hold a valid driver's license.
- A golf cart operating on roadways must have liability insurance.
- A golf cart has to be permitted by the State of South Carolina. An individual or business owner of a vehicle commonly known as a golf cart may obtain a permit decal and registration from the Dept. of Motor Vehicles upon presenting proof of ownership and liability insurance for the golf cart and upon payment of a \$5 fee.
- A golf cart can only be operated during day light hours, including carts with headlights and turn signals.
- The operator of a permitted golf cart being operated on a highway or street must have in their possession: 1) the registration certificate; 2) proof of liability insurance for the golf cart, and 3) their valid driver's license.
- A permitted golf cart may be operated within four miles of the address on the registration certificate and only on a secondary highway or street for which the posted speed limit is 35 miles an hour or less. Highway 17 Business in Murrells Inlet is not considered a secondary highway.
- A golf cart cannot be operated on a public bike path or public beaches in Georgetown County.

## We need volunteer Neighborhood Watch drivers:

Our Litchfield Country Club POA (LCC POA) operates a neighborhood watch program staffed by volunteer member drivers. Watch Drivers cruise our streets daily looking for signs of trouble, illegal activity, speeding, improper parking, and neighbors in need of assistance. Drivers then log the results of their watch.

Our drivers typically perform their one-week tours on a quarterly basis. Each tour of our Litchfield Country Club roads takes a little over an hour. It is easy and a good way to meet neighbors, support safety, and become more familiar with your neighborhood. The Georgetown County Sheriff's Department has praised our neighborhood watch program as one of the best around.

As an added incentive, new Drivers will be offered a Free 9 hole golf round at Litchfield Country Club! Please contact Director Ken Fetzner for more information. Ken will 'show you the ropes' when you volunteer.

Thanks for your support of LCC!

## Effective for the Summer of 2023

Due to rising administrative and handling costs, we are going to require going forward that all AD placements must be made by a current POA Member and the cost to include the Ad will be \$25.00 per publication in the LCCPOA Newsletter. Please contact Trish Mulligan with your interest to pursue at [tmblu1025@gmail.com](mailto:tmblu1025@gmail.com). Thank you...
